when you buy American real you are consumption has no the people, which is can buy. American's 19 yards insure people to pay to those least able to pay.

Meals that demanded laxatives—yet no need for laxatives

Under the supervision of a leading ecientist a remarkable feeding experiment was made. For one whole wonth men and women were given eggs, milk, cheese all constipating foods—and yet they did not suffer from constipation because they added Fleischmann's Yeast to their diet.

When they are the same constipating diet without Pleischmann's Yeast as a corrective, all four were stipated.

Thousands of men and wemen all over the country have found that eating Fleischmann's Yeast daily gives them normal and regnination. Fresh yeast is rich in the elements which increase the action of the intestines and keep the body clean of poisons.

Add2 to 3 cakes of Pleischmann's met to your own daily diet. You'll mry. Be sure it's Fleischmann's -the familiar tin-foil packwith the yellow label. Place a ling order with your grocer.

BIG CONGRESS ISSUE

Frear Assails Sales Tax as Putting New Burden on

Consumers WOULD USE FOREIGN DEBT

By CLINTON W. GILBERT Staff Correspondent Evening Public Ledger

oppright, 1922, by Public Ledger Company Washington, Jan. 30,-The soldiers' bonus may fail in Congress because of lumbing to agree upon a form of taxation which will enter the required amount to pay it. The President is on record against any bill which does not

Everybedy is for the soldlers, of course. There are 10,000 of them voting in the average congressional district, more than 25,000 of them in possional districts such as Detroit. Every Congressional and Senator wants to win the force of these soldlers.

In the hope of some time the debts which the foreign nations owe. I woodruff to Aid Frear Representative Roy O. Woodruff, of Michigan, declared today that he would join Representative Frear in fighting the rule to block amendments to the Homes Bill. Woodruff declared that he

The difficulty lies in extracting some Bonus Bill. Woodruff declared that he three billion dollars or more from the public treasury by such a pracess of excess profits tax and creation of the circumbocution that the aiready lands new corporation taxes to pay the benus pressed taxpayers won't miss it. For it cast. His is only one of several promise be said the numbers of Caugress pass as being drafted with the purpose are for the taxpayers also. The blue of of making American manufacturers and these grouns.

Fight War Over Again

Hence it is that the argument over the bonus must wander for afield. In its course the World War will be fought ever again; it will involve the difficult sue of the economic restoration of Europe and the payment of the foreign hebt; agriculture will be arrayed againgt face squarely the fundamental promount of th and vice versa. The struggle between bemocratic and Republican parties, evidenced with respect to every issue in a campaign year, will be only one of the eatly divisions which this measure will

than sources less reliable charge the surtaxes by \$61,000,000 a year, and

I do not know whether you gentles | age men realize what that is going to mean socially, economically and politically A Republican member from New York, said to me today: 'We have lost our State, I fear,' and I said, 'If we have a consumption tax placed upon the peo-ple of the country, between three and or billions of dollars or more, as pro-

used, we will lose the whole country. Would Use Foreign Debts

It will be noted that Mr. Fear, while After-Dinner Tricks

No. 72-Telling Date of Coins A penny is borrowed, and without any one noting the date, it is laid beneath a handkerchief. The performer reaches under, feels the coin, names the date, and then brings it out. His guess is found to be correct, and is attributed to his remarkable "sense of touch." The secret is another penny, belonging to the performer, which he previously slipped beneath the handker-chief. He knows the date on his own coin, and it is that coin which he draws out. The other coin is picked up with the handkerchief and pocketed, while the performer's coin is returned to the party who lent the original penny, morning, he would Of course, the coins must look alike as walk up the street.

This is the proposition that was first proposed by Schator McCumber, of the Senato Finance Committee, but which was bitterly opposed by President Harding on the ground that it would disrupt the inevitable war debt refunding operations and cause serious trouble foreign nations. Chairman Fordthen preposed to sell foreign bonds backed by the faith and credit of the JURISTS PROMISE HELP American Government, but this propoition also fell when Secretary Treasury Mellon showed that the process would be far more expensive in he long run than the sale of American

bonus expense by immediate taxation. As disclosed by Mr. Frear, however, is evident that the politically hardpressed rank and file of members of Congress have by no means given up the

are for the taxonyers use. The base of of making American manufacturers and taxonyer veters even exceeds numerimerchanta pay the soldiers granuities. The Various other forms of consumption tax
combinately lies in the fact that the Congressmen need the support of both of the sales tax. Conspicuous among these are a gasoline tax of four cents a gal-lon, a bunk check tax, an increase in letter postage to three cents.

Around these proposals and which the ingenuity of the politicians thay devise the battle will be fought. One thing is certain, that before any effective bonus is passed Congress must face squarely the fundamental proposition that somewhere the money to pay one place to get it, and that the Ameri-an people. Even if payments on the foreign deht were available for the purpose, the result would be the same. The American taxpayers are already paying interest on the bonds which provided the money to lean abroad. To at-tempt to use the foreign promises to lieved of the condition due to the pres-pay these debts as a basis for financing ence of criminals there." the bonus only means that for the time

How and Why They Will Vote

The game of each individual Senator or Representative will be to talk loudly and vote vociferously in the way that he believes will contribute most to his reelection in November. He will fight for the bonus. If he comes from an indus-trial district, he will fight against saddling the cost on the manufacturers and

If he comes from an agricultural district, or one where laborers predomi-nate, he will fight against added taxation of the consumers. Everybody will fight for the bonus and at the same time everybody will fight, in one form

Announcement was made yesterday by the gent eman from Michigan (Mr. Fordney) that a sales tax would probably be enacted in order to pay a sale ers bones, calculated by him to reach \$1,000,000,000. The cost to consumers, of course, will be several times the amount of the tax and it would mean that a new barden of between four and five billion dellars would be laid on the American people.

Members of the farmer ploc will except to not less than four and not more than five years' imprisonment.

Recently, having completed the five-year sentence. Albright demanded his liberty. He claimed the Court had imposed a four to five year sentence on each indictment, to run concurrently, the billion dellars would be laid on the tween these various stools; that Congressian people.

is to write his own record clear. He must be able to show in the lustings of November that the core clear that the lustings of November that the core clear that the lustings of November that the lusting of November t "I have placed in the record also a struction of the Camadian situation, where manufacturers sales tax is in the he had at the same time worked himself borce. Asks Judges Not to Send Hardened Criminals to House of Correction

Director Warburton today requested the Judges of the Criminal Courts to Government bonds or the meeting of the refrain from sending men with criminal records to the House of Correction. He asks that any there now be recommitted to other institutions.

Congress have by no means given up the idea of camouflaging the bonus cost behind the hope of some time collecting the debts which the foreign nations over the debts which the foreign recommendation of the work of reclaiming drug adwitted to the The Director appeared in Judge Patdicts and vagrants. Judge Patterson said he would be glad to co-operate, and asked for a list of men and women with criminal records that he had sent to the House of Correction, that he might recommit them.

The matter came up in the case of Benjamin Harvey, twenty-five years old, giving his address as the King James Hotel, a lodging house. The man was in a pitiful condition from the use of drugs, admitted he had been an addet, and asked for a chance to pull himself together and break the habit. Director Warburton, who was presof the man at the House of Correction, provided the prisoner did not have a criminal record.

'I believe we can successfully reclaim these drug unfortunates if we are relieved of caring for the criminal class. he said. "The addicts necesclass," he said. "The addicts neces-sarily must suffer, because a great deal of attention must be applied to the criminals." he said.

"I have made a person investigation of the House of Correction, and I find conditions there such that they require immediate attention. I intend to carry out the law to the very letter in the conduct of that institution, and in order

PRISONER ARGUES HIS OWN CASE AND WINS LIBERTY

Wilmer Albright Leaves Penitentiary After Five-Year Sentence

A personal appeal by Wilmer Albright, acting as his own attorney be-fore the State Supreme Court, won freedom for Albright today when Chief Justice Von Moschzisker ordered his release from the Western Penitentiary.

Albright was preparing for a gunning trip in November, 1916, when he quarreled with another hunter. State police intervened and one of the troopers was shot and wounded by Albright.

In the Quarter Sessions Court in Blair County, Albright was convicted or another, against the measures required to raise the money.

Members of the farmer ploc will exto not less than four and not more

Sentenced for Attempting to Rob Cobbler Last December

Furniture Values That Have Been the Hope of Thousands

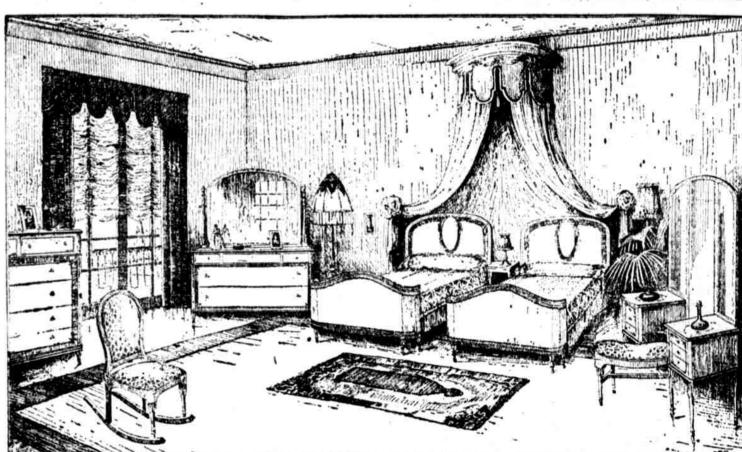

They are here. Values greater than in our Great August Sale, when Van Sciver prices were lower than in half a dozen years. Lower in this February Sale than Furniture prices can possibly remain, unless there is a halt to the improving times.

For the signs point to this Event as the floodtide of opportunity, and the Van Sciver Store as the place to reap its advantages. The Factory Store with the greatest floor space, the best and handsomest Furniture, the most extensive stocks and the lowest overhead of any Furniture Factory Store in America. A Store as famous for its trustworthy woods as it is for the constructional excellence of the Furniture itself. Genuine Mahogany, Walnut and Oak. Woods unsurpassed in perfection and beauty, with rich veneers and exquisite finishes in polychromed and other

We lay the evidence before you in an array of Furniture that no Store we know of can equal, from the widest style range in the Classic Designs to the plainer styles for simpler tastes. We know because we have made the manufacture, purchase and sale of Furniture a life study. Forty-one years of specialization that means not only the best Furniture at the price in the country, but greater values, we believe, quality for quality, than any other Store can hope to offer. The proof of the pudding is in the eating. Come, see these things for yourself.

An Appreciative Public

Our announcement on Tuesday, that Saturday, January 28th, would mark the opening of this Wonderful Sale, brought hundreds on Thursday, two days ahead of time. Additional hundreds came on Friday, and still greater numbers on Saturday. A surprising, but natural, response, not only because of the many who came to see and make comparisons, but because thousands remained to buy, convinced that better values could not be obtained elsewhere.

This Bedroom Suite, atter Louis XVI, is a charming production in drab coloring, rich in quiet tonal decoration of bluish gray and gold. A warm and cheerful Suite, whose graceful lines and artistic construction make it worthy of the home of taste and refinement. Illustrated from the marvelous array of Bedroom Suites that fill our spacious galleries.
